

# Escalate: Dispute Resolution for SMEs

Initial review completed

Negotiation

Restructuring experts target a settlement in under three months

Litigation

If negotiation is unsuccessful, proceedings will be issued using specialist legal teams that are funded all the way up to the High Court

By looking at the process from your perspective, we're transforming how businesses manage disputes:

No financial risk

You don't pay out unless we reach a successful settlement and the claim is fully supported by adverse costs insurance at no cost to you

No initial outlay

We pay for all the up-front costs

Rapid results

We aim to get your money back within three months but if we can't settle, we have the financial backing to support you all the way to a High Court resolution

Fixed fee basis

Complete transparency from the start
